- Several indoor and outdoor relaxation areas

"In an era where nursing homes and aged care are getting bad publicity, Wongaburra is a shining light of care, support and empathy. I could not speak more highly of any organisation."

Lorraine Gaunt

"I would like to compliment Wongaburra on the wonderful staff. I find all your staff are exceeding all expectations. The staff I find so welcoming, helpful and efficient."

Marie Taylor

**Providing individualised residential
care in beautiful rural surrounds**

Secure Memory Support Unit

Our Memory Support Unit (MSU) prides itself on offering the best possible care for our residents who require a more secure type of accommodation for their safety and well-being.

Our MSU has its own homely environment with a large outdoor garden area with raised garden beds, outdoor covered veranda, pathways, and grassed areas.

Our MSU is stocked with resources to meet the likes and needs of our residents.

Wongaburra offers Respite & Permanent Residential Care

Our Residential Aged Care Home offers all aspects of person-centred care, on both a permanent and short term respite basis.

Access to physiotherapy is offered to both respite and permanent residents, with our pain clinic operating under the supervision of licensed Physiotherapists and Occupational Therapists.

Holistic Care & Activities

Wongaburra provides its residents with support that looks at the whole person. This includes their medical health care and encompasses their physical, emotional, social needs as well as their spiritual well-being.

Our Holistic Care Team provide a range of activities that aim to meet the preferences and needs of our residents. We provide a monthly activity planner which is regularly updated in consultation with our residents and delivered to every resident at the start of each month.

We offer activities such as carpet bowls, bingo, cooking, craft, gardening group, and our very own in-house morning melodies. Bus outings range from local scenic drives with morning tea, to fish and chips by the beach on the Gold Coast.

Twice a month we offer an in-house Church service from our local Catholic Church and local Anglican Church. We can also facilitate visits from other places of worship on request.

Our garden areas provide lovely destinations for outdoor activities, and catching up with loved ones.

Excellence in Clinical Care

Clinical care is provided by our highly qualified Registered Nurses, Enrolled Nurses and experienced Assistants in Nursing. This is carried out in consultation with visiting Doctors and Allied Health Professionals.

Quality care staff are on duty 24 hours a day to ensure a safe and secure environment at all times.
